

# **High Standard Stables**

## **Training Board Contract**

(5 day training)

High Standard Stables will provide full care for the horse which includes; feeding twice daily, stall cleaning, and turnout. Hay shavings, and up to 6 quarts of grain daily, is included with board. The boarder will provide their own grain for their horse if they do not like what is offered by High Standard Stables. If the horse has any supplements High Standard Stables will be happy to feed them but it is the owner's responsibility to supply them. Horses coming for training must be wormed before coming. If they are here more than 2 months they must follow High Standard Stables worming schedule. The owner must provide wormer or else it will be added to the bill.

The bill must be paid the 1<sup>st</sup> of the month for that months board. Any bill that is not received by the 15<sup>th</sup> of the month will have a \$10 late fee added. If payment is delayed beyond 30 days a 10% late fee compounded monthly will apply. If the owner neglects to pay the bill in 90 days, High Standard Stables retains the right to sell the horse to get the money needed to pay the bill.

The first week for all horses coming to High Standard Stables for training will be evaluation. During this week Amy will do mostly ground work setting the basis for the training and communication and allowing the horse to settle in. Amy will evaluate what the horse is like and will better be able to put together a training program that will best suit the horses needs. This one week evaluation is given at a reduced price at \$80 (this is not included in month training rate). The \$80 must be paid when the horse comes to High Standard Stables as well as the contract completely filled out. If after the one week both parties are still pleased then the \$540.00 will be due and the month training will begin. If for any reason after the one week either Amy or the owner decides to cancel the training than the horse will be picked up and the contract cancelled.

Included in the price of the monthly training board is a training session 5 days a week, four weeks per month. The horse will be worked with 5 times a week, either riding, lunging, or round-pen lessons, or work on ground manners. The horse will be taught the discipline that the owner would like the horse to learn.

The owner is responsible for all vet and farrier charges. You may use our farrier and vet or use your own. You are responsible for setting up the appointments and being there to hold your horse. If you can't be there to hold your horse there will be holding fees. Please see attached sheet for additional charges.

Any additional charges for extra service, supplies, wormer, etc.. will be added to bill.

The horse stabled at High Standard Stables must have rabies from current year, and coggins from current year or year before. Also required is a 5-way, 4 way, or 3 way, and rhino, and west Nile. I need to receive a copy of the coggins, rabies certificate, and shot record before the horse is allowed on premise.

High Standard Stables retains the right to void the contract at anytime and can ask the boarder to leave.

High Standard Stables  
Training Board Contract  
(5 day training)

The rate for 1 month board with 5 days training is: **\$540.00 with tax** per month.

I will not hold High Standard Stable liable for any injuries or damages done to myself, or any other person that attends the barn with me, my horse, tack, or any other item that may be kept at High Standard Stables. In the case the horse is seriously injured or has to be put down I will not hold High Standard Stables liable or at fault.
